

FCC Commissioners
The Federal Communications Commission RE: Docket 04-435
445 12th Street, SW
Washington, DC 20554

Dear FCC Commissioners ,

I am writing to voice my concerns about the FCC's proposal to relax the restrictions on the use of cell phones on airplanes in flight.

I don't care if cell phone use does or doesn't interfere with navigational instruments. Being subjected to the personal conversations of others as well as thin air, cramped quarters and poorly controlled children are conditions guaranteed to cause problems.

Cell phone use could also enable terrorists to coordinate a plan of action more effectively.

Please leave the current rules in effect.
